Dear Everyone:

I have been notified by my Dentist (who schedules me twice a year), that my appointment is tomorrow at 1:40pm..Normally, the appointment takes 45 minutes, and he is a block away, so if everyone is ok with this, I would like to push our time to 2:30pm tomorrow... Either that or if that's a problem, Bevin can begin the meeting and I'll get on when I return..
