OUR MISSION

The mission of The Rotary Leadership Institute is to provide an educational opportunity for Rotarians identified as potential leaders by their club presidents.

"Rotary is blessed with members of high quality, but all Rotary clubs depend on outstanding leadership to harness the talents and skills of our membership to high levels of accomplishment.

The annual turnover of club presidents and other club officers places great pressure on our clubs to maintain a high level of leadership every year.

Only through excellent education in Rotary and leadership skills can we develop the quality leadership we need to keep Rotary in the forefront of world service organizations."

- Past RI Director David Linett, RLI International Chair

RLI - SALISBURY, MD

- On Saturday, September 11, 2010, the Rotary Leadership Institute successfully held two sessions (Level 1 and Level 2) in one of our newest entries into Zone 33; District 7630. There were 20 participants, ranging from Rotarians with 20+ years of service to one who had been in Rotary only 30 days. The event was hosted in Salisbury, Md. at Dove Pointe, a fantastic facility for the benefit of special needs individuals and run by District Governor Don

Hackett. The arrangements were made by PDG Susan Giove, who was part of the Faculty. In addition, IPRIVP Eric Adamson, PDG Eric Grubbs, DGE Roger Harrell, PCP Curt Barrows, and RRLI Coordinator, PDG Bob Stallworth facilitated the sessions. At lunch, an inspiring and encouraging message was delivered by DG Don Hackett, who also entertained the audience with a rousing rendition of 'When the Saints Go Marching In'. While Governor Don may be an accomplished trombone player, his back up

band members, consisting of selected members in the audience, needs more practice to really show off their talents, except for the cymbals player (who shall remain anonymo`us), who must have seen the Florida State A&T Marching Band to learn his moves. His technique qualified him to be a cymbals player!! From the evaluations received, the participants enjoyed the opportunity to

learn more about Rotary and its many programs. The bite-size format of RLI enables participants to cover many topics of interest in a relaxed and informative atmosphere. Thanks to the leadership in District 7630, they are already gearing up for another bigger and better RLI session to be held later in this Rotary year. - *Bob Stallworth, Regional RLI Coordinator*
